"Three mouths ago I was greatly distrescal by nasal catarrh and entire deafness in the right ear. The labor of hawaling and scraping to get my throat and nasal passages free from the foul secretions deposited there, might be about equal to that of a six-mule team with a road-scraper to get the earth from the road-side to the center.

I purchased an outfit of Hyomei and Hyomei balm, and as a result of its use my head, throat and nasal passages are all free from secretions of any sort, only as Nature designed, and my hearing in both ears is nearly as acute as it ever was."

There is no disagreeable stomach dosing in using Hyomei: just breathe it and its pure fragrance will kill the catarrhal germs in the head, throat and lungs. Hyomei balm used in connection with Hyomei, will cure the worst case of catarrhal deafness.
